

Job title

Optometrist (in retail) for Abu Dhabi

Company's presentation

As the Kingdom's leading eyewear boutique, Optica (ex Bahrain Optician) has become synonymous with professional and advanced eye care. A 4-decade heritage of making millions of customers happy along with a complete portfolio of products and services ranging from affordable to premium makes Optica the most trusted choice across the region. At present, Ray-Ban, Vogue, Carrera, Emporio Armani, Oakley, D&G, Porsche Design, Tag Heuer, Bulgari and Cartier are only some of the brands on offer at the state-of-the-art outlets that have expanded outside of Bahrain to Dubai and Qatar. Touted for the impeccable standards of products and services and the technical knowledge of the staff, Optica is a true visionary in the optical field.
